## About CCOHS

CCOHS is the high school youth ministry for Calvary Chapel Orlando! Our devotion is to the Lord and to living life with teens through all their struggles and questions, pointing them to the word of God in everything! We believe that fruitful growth in the Lord happens through a faithful combination of appropriate and mature bible study, dedicated times of prayer, intentional group social activity, and frequent group service. Our hope is that your teenager will feel welcomed in the group, empowered by the word and the Spirit, encouraged and exhorted in the trials of their life, and motivated to serve God where they are.

Our leaders are: Justin Reyes, Danielle Reyes, Noah Jestus, Abigail Saliba, Leanne Ramirez, and Ansley Morse. Feel free to contact us or find us in person at church anytime!

## Updates on youth activities

In our study on Sunday nights, we have begun going through the book of Genesis, examining the origins of all things, and understanding life in light of how God defines all things. If your high schooler is a newcomer, we would love to have them come by and fellowship together with us on Sunday and Tuesday nights!

Urban Surf is upon us! If you have your kids registered, be sure to have them at the camp location on Monday, July 15 by 9 AM for check-in. It will be a powerful and fun-filled time for them! Be sure to check out registration for the youth conference and the apologetics conference that are upcoming. These are two events that are major highlights of the year, helping students focus in on the word of God in the midst of the challenging times we live in. If you have any questions, or concerns about these events, feel free to contact Justin Reyes directly

We appreciate all the support and all the prayers that you give! May you remember that you have a body of believers devoted to equipping and edifying your children in the Lord!
