

CRAFT

[20 min]

Toaster Tongs/Chip clip

Supplies

- jumbo craft sticks (2 per child)
- permanent markers (both fine-tipped and regular, in a variety of colors)
- Glue Dots (4 per child)
- wooden clothespins (1 per child)

Give each child a clothespin.

Set out the remaining supplies to share, and have kids follow these directions to make toaster tongs.

- Decorate two jumbo craft sticks. Be sure to include the prayer, “Give us today the food we need.”
- Using Glue Dots, secure the craft sticks on either side of the clothespin. The end of the clothespin that you pinch should line up with the end of the craft stick.

Talk About It

- **What’s your favorite breakfast food?**
- **What do you like to put on your toast?**

Eating bread or toast can remind us of Jesus’ prayer: “Give us today the food we need.” Asking for help is part of prayer, and we can ask God for anything we need.
