Session 2: What is a Christian?

For some, Christianity is very familiar ground. For others, Christianity may be new and difficult to understand. Regardless of your experience with Christianity, defining the term “Christian” can be challenging. From previous experiences and from the media, we have some ideas about what a Christian is. Are these ideas true? How do your thoughts about the definition of a Christian compare to the Bible? In this session, we discuss and dialogue about what it means to be a Christian.

By the end of this session, you should be able to:
