

### Here's what happens...

Jesus says to be the salt of the earth, bringing flavor to the world around us.

He also says to be the light of the world and not to hide our lights. Our good deeds can be like lights that point out God's glory and bring him praise.

### Bible Point:

God shines his light through us.

*"In the same way, let your good deeds shine out for all to see, so that everyone will praise your heavenly Father" (Matthew 5:16).*

### Family Together Time

- Have everyone make a guess of how many lightbulbs are in your house.
- Go around and count the lightbulbs and see who guessed closest.
- Get out any five items from your pantry.
- Without looking at the labels, try to arrange them in order of most to least sodium content (salt).
- Then look at the labels and see how you did.
- Grab another five items and play again!
- Talk about how much you use salt and light without even realizing it!

### Talk About This...

- Tell about a food that would taste horrible without salt.
